

Parenthood, Reconciliation of Work and Family and Life Conduct. Methods and Methodological Problems. Workshop

Thursday March 14, 2013 9.30 - 18.00Room U4 - 211

The workshop invites doctoral students, who are working empirically about parenthood, reconciliation and life conduct. Issues are:

- Interpretation of qualitative interviews (with parents and experts)
- Time diary to analyse time use of fathers
- Constructions of parenthood and reconciliation in print media
- Panel study and triangulation of quantitative and qualitative design

This workshop is a collaboration project between the project B5 "Working organisations and life conduct of fathers", SFB 882 at University of Bielefeld (conducted by Prof. Dr. Mechtild Oechsle) and APPARENT "International and national studies of norms and gender division of work at the life course transition to parenthood", ERC project No. 263651 (conducted by Prof. Dr. Daniela Grunow, University of Frankfurt and her team).

The workshop is held in English; interview data are also presented in English (as far as possible).
